APG® CASH DRAWER

APG CASH DRAWER®

Classic

APG's Classic - The industry's top performing cash drawer

The APG® Classic Cash Drawer has proven its superior durability, ruggedness and configurability in a wide range of the most demanding applications. In thousands of convenience stores, restaurants, service stations and similarly harsh POS environments around the world, the APG Classic continues to deliver millions of cycles of smooth, reliable operation. Steel ball-bearing slides, a sturdy latch mechanism, and a four function lock make the APG Classic the industry leader in performance and reliability.

Choose a Classic Solution

But there's more.With the APG Classic, you can select from a variety of configuration choices to create an optimum POS solution. Choices include:

- Standard or media slot versions to support specific transaction and cash management requirements.
- A variety of size, color, interface, accessory and configuration options to complete your Classic Solution.

The rugged, reliable APG Classic Cash Drawer keeps your POS application rolling so smoothly you might forget what "down time" means.
