### HP ap5000 All-in-One Point of Sale

**Eliminate the guesswork**

- Everything you need to get started, in an all-in-one form factor: processor, hard drive, 15-inch diagonal resistive touchscreen and inputs for your POS peripherals

**Ruggedized for retail**

- Durable steel chassis tested to withstand prolonged wear and tear typical in retail. The touchscreen display is liquid- and dust-resistant. Use fingertips, fingernails, a stylus or credit card edge.

Optional MSR and Customer-facing displays are available separately
