

- High speed 31 RPM (150mm/sec) barcode, label, receipt and ticket printer with autocutter
- Unique 3" to 4.4" print width
- Internal or external paper feed (external for large capacity or security applications)
- Compact footprint
- "Drop in & print" paper loading
- Swappable interfaces
- Includes Windows Vista™ "built-in" drivers (Inbox drivers)

## TSP800 High-speed, graphics, reports & receipt printer

This revolutionary wide-format POS printer fills a number of applications where no POS printer was able to before. From compact web printing to mobile transportation printing as well as producing wide high-quality POS receipts with nice graphics, the TSP800 is the solution!

The TSP800 is the only printer on the market that provides printing on 3" to 4.4" wide paper at an amazing speed. It is the perfect printer for applications that need to print a large amount of information on a receipt. The TSP800 can also be purchased with a locking mechanism to secure any sensitive or costly roll of paper (TSP800RX).

# TSP800 Specifications
