

Zebra ZipShip Ribbons

Zebra has the right thermal transfer ribbon for your application. For standard printing on paper labels, Zebra's wax ribbons are unsurpassed for performance and value. When better image durability is required, Zebra's wax/resin ribbons will meet your requirements. For the ultimate in chemical and heat resistance, Zebra's resin ribbons can handle the harshest environments. You can be assured that when used together, our ribbons and labels will provide optimal performance with your Zebra printer and extend the life of your printhead.

Zebra's Zip Ship stocking program includes popular sizes of the most frequently ordered ribbons. Our policy is to ship orders within the next working business day. There is a minimum invoice amount of \$50 per shipment destination (waived for Sample Program orders). Products purchased in less than full inner carton quantities are subject to a \$75 broken carton charge, per destination. For custom sizes, please contact your Zebra Supplies Specialist.

Tabletop Wax Ribbons

5319

A best-in-class, performance wax ribbon formulated for high-quality printing on both Zebra coated and uncoated paper facestocks. Offers unmatched printing for both visible light and infrared scannability. Excellent performance on tough-to-print uncoated and uneven tag stocks, including Tyvek. Prints at speeds up to 8 inches per second. UL recognized and CSA component acceptable when used with Zebra approved labels.
