

# Elo Pay M60 Mobile POS System

Give associates the power to accept payments, conduct business, and track sales from a single device in the palm of their hand.

## Dip. Tap. Swipe.

Accept all forms of payment with the Elo Pay M60 wherever your customers are - in line, at the counter, table-side or in their seat.

### EMV

Insert cards with chips.

### NFC

Tap contactless payment cards and devices.

### MSR

Swipe cards with mag stripes.

## One device for everything.

**L1 and L2 Certified:** The Elo Pay API allows you to easily integrate the M60 in your payment process.

**L3 Certified:** Elo Pay does the processor certifications for you so you can easily setup your M60 devices to accept payments.\*
