

Android Terminals

T1 14" with Integrated Printer

The T1 is a 14" full HD all in one POS terminal with premium features at a price for any budget. Leveraging the Android operating system and an Octa-core processor the T1 provides the smoothest Android experience on the market. A built in printer reduces cable clutter and footprint, while an optional secondary display can be utilized to fully engage customers at the point of sale. Our cloud device management provides an easy way to automatically provision terminals without even taking them out of the box.

ANDROID MARSHMALLOW

Android 6.0 with Google Play services ensure compatibility with your application right out of the box

CUSTOMER ENGAGEMENT

An optional full color 7" non-touch screen or 14" touch screen allow you to completely engage your customer at the POS

CLOUD DEVICE MANAGEMENT

Fully customize your user's out of box experience with custom boot screens and pre-installed apps

BUILT IN PRINTER

A built in 3" printer provides quick, accurate receipt prints and easy set up
