

APG® CASH DRAWER

APG CASH DRAWER®

*The APG® Series 100 cash drawer's small size saves counter space yet offers a full-size till plus a large media and coin roll storage area.*

Inside this attractive, compact cash drawer is a full-size till with plenty of storage space underneath. There is room to store coin rolls and packaged bills, which saves on cash runs in the middle of a shift. The adjustable media slot lets sales associates conveniently insert charge slips, checks, coupons or other media into separate compartments as they are received, saving time at the end of a shift. The following features demonstrates how the Series 100 is sturdy enough to withstand the wear and tear of the workplace.

#### **Robust Design**

- Dual raceway, steel ball bearing slides assure longevity
- Durable, four-function lock provides needed security
- Proven reliability beyond 4 million cycles
- Resilient powder coat paint on exposed steel surfaces

A variety of size, color, interface, accessory and configuration options complete the S100 solution.
