INTEGRATION SYSTEM

CADDY <u>SP</u>
ORGANIZER

Economical and versatile configurations

The integration organizer that cleans up cable routing on a standard size cash drawer.

The Caddy™ SP Organizer brings easy cable routing and organization to APG heavy duty cash drawers with no holes to drill or fasteners to install. Unique locating tabs on the slim profile organizer allow for secure placement of the Caddy™ SP on top of the cash drawer.
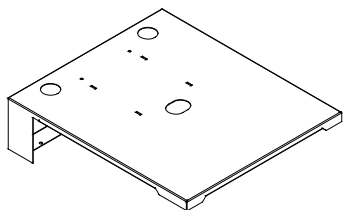

Several different printer tray sizes can extend the work surface with secure locking tabs in just seconds. Cables and the printer power supply fit easily into the cable routing cavity. The Caddy™ SP Organizer is sturdy enough that it can be lifted off the drawer even when it is fully populated.
