EverServ® 2000

PAR®

Maximize space and savings with the sleek and economical PAR EverServ® 2000 POS terminal.

The EverServ 2000 is the affordable point-of-sale (POS) hardware solution with the smallest footprint in the ParTech, Inc. portfolio. The 2000's fan-less design is quiet and offers low power consumption and minimal maintenance. Its small footprint is ideal for installations where space is at a premium. The design offers a spill resistant, high-impact enclosure that is built to withstand tough restaurant and retail conditions with continuous operation.

Integrated Features

The 2000 offers options that increase security and reliability. The 2000 has a built-in iButton receiver for secure log ins, an integrated 3 track magnetic stripe reader and an optional integrated 2 line by 20 character customer display for order accuracy. These built-in features improve the systems durability and reliability by reducing failures commonly caused by interconnecting cables for external peripherals.

Greater Flexibility and Ease of Use

The 2000's small footprint is ideal when space is at a premium. For ease of use, the terminal's 100° display tilt, increases screen visibility for your staff.

Durable by Design

The 2000 has a shock mounted hard disk, spill resistant casework and a sealed touch screen to provide real-life environmental protection and long-life.

Solutions Beyond the Expected.

Specifications

CPU	Intel Atom 1.6GHz
Memory	DDR 2 (laptop style) 2 GB max
Hard Disk	2.5" SATA 80G[1]
LCD	15" XGA
Touch Screen	5-wire Resistive
PC Bios	Award BIOS
LAN	10/100/1000 Mbit Ethernet
Power Supply	External 19V/90W power brick
Built-in Features	Built-in ISO 3 tracks MSR Built-in iButton Receiver

Ports and Expansions	1 - Internal miniPCIe slot
	4 - USB V2.0 ports
	4 - Serial Ports RJ 45
	   2 x Standard
	   2 x Powered (+12 or +5 power)
	1 - RJ 11 cash drawer port
	1 - 2nd independent video port

Options	Built-in 2x20 Vacuum Fluorescent Display

Product Certifications

cUL	CE
UL	CCC
FCC Class A	BSMI
RoHS	C-Tick
WEEE	IRAM

Dimensions (HxWxD)	Base: 13.4 x 9.5 x 8.2 in (34 x 24.1 x 20.8 cm) Screen Width: 15.4 in (39.1 cm)
Weight	15.6 lb (7.1 kg)

[1]GB means 1 billion bytes; actual capacity varies with preloaded material and operating environment will be less.

Optional Integrated 2x20 Customer VFD

VESA Mounting Option

15" Resistive Touch Screen

Integrated iButton Receiver

Integrated 3 Track MSR
