

Track computers, equipment, furniture, vehicles and other valuable assets using this intuitive, affordable and complete asset tracking system!

Honeywell Scanning and Mobility / RedBeam

# ASSET TRACKING SOLUTION

## Software

Barcode any items of value, such as computers, printers, equipment, furniture or vehicles.

All RedBeam software packages come with durable barcode labels that can be printed to your standard laser printer.

**877-373-0390**  
**[www.redbeam.com](http://www.redbeam.com)**

## Hardware

Use a Honeywell Scanning and Mobility Dolphin<sup>®</sup> 7600 Mobile Computer to update asset data or to take a physical inventory.

Scanning is ideal for audit inventories, updating IT information and receiving.

**800-582-4263 Option 1**
