connectivity

The iWL Series is designed for reliable connectivity even in the most demanding environments.

Highest Security

The iWL Series meets the highest security requirements and is PCI PTS 2.x and 3.x certified with SRED & Open protocol modules.

All Payment Options

The iWL Series accepts EMV chip & PIN, magstripe and NFC/contactless, as well as enables new NFC couponing and e-wallets.

Compact-Sized

The compact iWL Series is a small and light electronic payment device.

Designed for Mobility

Designed specifically for mobility, the iWL Series provides extended battery life, in a lightweight, robust, compact-sized design and features a wide backlit keypad for outstanding display readability inside or outdoors.

Long Battery Life

Anticipating active use in remote environments, Ingenico Group focused on delivering outstanding battery life. In most cases, the iWL Series is designed to run all day in the most active retail environments.

All Wireless Connectivity

Featuring a complete portfolio with multiple wireless connectivity options - GPRS, 3G, Wi-Fi & Bluetooth Class 1- the iWL Series delivers enhanced network quality of service. Smooth integration of the iWL Series into multi-device solutions is ensured.

Outstanding Printer

The iWL Series 30-lines-per-second printer is one of the fastest on the market, for on-the-spot checkout efficiency.

Telium 2 Advanced

Powered by the Ingenico Group, Telium 2 technology is the result of 30 years' experience in the payment industry. Secure, highly integrated and fast, Telium 2 is the world's best platform to provide payment services with a library of over 2,000 applications. Telium 2 is a fully scalable, reliable operating system embedded into Ingenico Group's 27 million terminals deployed worldwide.
