NCR RealPOS™ 72XRT

POS Workstation

Looking for a POS solution that delivers extreme power, outstanding reliability and industry-leading serviceability?

YES
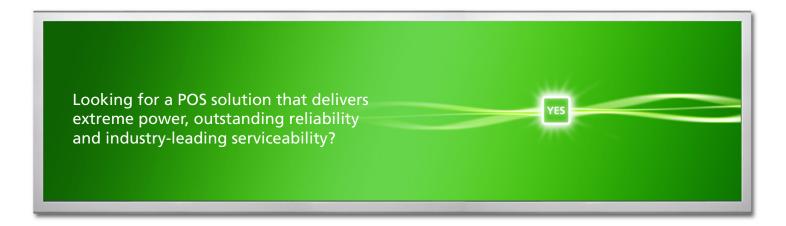

The NCR RealPOS 72XRT provides extreme retail technology

With over 125 years of retail experience, NCR is a global technology leader committed to providing innovative solutions to the retail market. The NCR RealPOS 72XRT brings extreme performance and advanced capabilities to the point-of-service, enabling you to deliver an enhanced customer experience while improving productivity and reducing costs.

- **Exceptional performance and scalability**

  The NCR RealPOS 72XRT provides extreme power and scalability, delivering the performance you need, when you need it. Featuring the Intel® Core™ processor family, the NCR RealPOS 72XRT provides more intelligent processing power to support new applications and functionality, protecting your systems investment.

- **Flexible configuration options**

  The versatile NCR RealPOS 72XRT features an extensive range of configuration options to customize your POS solution. This flexible solution offers you a choice of a 15" or 17" capacitive touchscreen, multiple processor and storage options, graphical customer displays, and a full suite of high-performance peripherals.

- **Built for reliability**

  Engineered and tested to operate within the harshest retail environments, the NCR RealPOS 72XRT is designed to provide years of dependable operation. It features a rugged enclosure, long-life LCD display, powered peripheral connectivity, and a solid state drive option to maximize availability.

- **Industry-leading serviceability**

  Featuring the innovative EZ-Glide Blade System, the NCR RealPOS 72XRT provides secure, tool-free access to components, enabling fast and easy service and upgrades. With Intel Active Management Technology (Intel AMT), you have visibility to system health with advanced remote management capabilities to help reduce downtime and lower support costs.

- Intel Core i3-2120T processor (2.6GHz)
- Intel Celeron G530T processor (2.0Ghz)

MOTHERBOARD
- Intel Q67 Express Chipset
- Intel Integrated HD Graphics
- Intel Matrix Storage Technology (MST)
- SATA III 6Gb/s storage interface

MEMORY
- 4GB up to 16GB system memory
- Dual channel DDR3

STORAGE OPTIONS
- 3.5" 250GB SATA hard disk drive
- Dual 2.5" SATA hard disk drives with RAID
- 2.5" SATA solid state drive (SSD)
- Internal 24x CD/DVD-ROM drive

CONNECTIVITY
- 12 USB ports total:
  - 4 PC USB (5V)
  - 2 powered USB (12V)
  - 1 powered USB (24V)
  - 5 dedicated USB ports (reserved)
- 5 RS-232 ports (selectable power 0/5/12V)

- Cash drawer port (dual drawers via optional Y cable)
- 10/100/1000 MB (Gigabit) Ethernet LAN
- VGA Port with dual independent display support
- Integrated USB wireless option

CASHIER INTERFACE
- 15" and 17" capacitive touchscreen
- High bright LCD
- Full tilt capability
- Integrated stereo speakers
- Motion sensor

CASHIER INTERFACE OPTIONS
- Integrated 3-track ISO MSR
- Integrated biometric fingerprint reader

CONSUMER DISPLAY OPTIONS
- 2x20 VFD (integrated flush mount)
- 2x20 LED (pole mount)
- All points addressable (APA) display
- 6.5", 12" or 15" LED display
- 15" capacitive touchscreen

OPERATING SYSTEMS
- Windows® 7 Professional
- Windows XP Professional

- Windows Embedded POSReady 7
- Windows Embedded POSReady 2009
- SUSE Linux Enterprise for Point-of-Sale (SLEPOS)

POWER MANAGEMENT
- 80 PLUS certified power supply (230 watt capacity)
- ACPI 3.0 compliant

SYSTEMS MANAGEMENT
- Intel Active Management Technology 8.0 (Intel AMT)
- Intel Keyboard-Video-Mouse (KVM) Remote Control (with Core i5)
- PXE network boot
- Wake on LAN
- LED Diagnostic Dashboard

PRODUCT DIMENSIONS
Base with 15" touchscreen/no MSR
- WIDTH   14.5"   (36.8cm)
- HEIGHT   14.5"   (36.8 cm)
- DEPTH   12.0"   (30.5 cm)

NCR   Experience a new world of interaction
