

Includes the lightest DECT™  
headset on the market

Enjoy best-in-class PC audio

**plantronics**®

Wireless freedom that won't weigh  
you down

**Savi® 400 Series**

The only PC-based wireless headset system with DECT™ technology that provides the portability, range and audio quality needed for today's flexible work-styles.

# Savi 400 Series

The Savi® 400 Series offers the highest level of wearing style choice and best-in-class PC audio in a convenient, portable package. Whether you are in the office or remote, enjoy excellent audio quality, the ability to roam up to 300 feet from your PC, and a high-quality carrying case for increased portability.

## SUPERIOR CALL MANAGEMENT

- Manage PC voice communications and multi-media with the only DECT wireless system on the market
- Hot swappable battery\* lets you change battery mid-conversation delivering unlimited talk time (W440)
- One-touch call answer/end/flash, vol+/-, mute from the headset for simple PC call management
- An energy-efficient adaptive power system, delivers longer talk and standby times

## OUTSTANDING AUDIO QUALITY

- DECT technology provides better audio; eliminates interference from Wi-Fi networks
- Advanced wideband audio using CAT-iq technology for high definition voice quality
- Noise-canceling microphone reduces background noise interruptions, ensuring great audio quality and easing listener fatigue
- Enhanced Digital Signal Processing (DSP) provides more natural sounding voice

## SAVI 440 RECOMMENDED ACCESSORIES

- Deluxe charging cradle kit, charges headset and spare battery (includes cradle + battery)
- Deluxe USB charging kit, charges headset and spare battery (includes charger + battery)
