POINT OF SALE PERFECTED

EVO

Touch Screen Monitor

Designed to set a New Industry Standard for Value, the EVO Touch Monitor by POS-X combines a sleek new look, re-enforced touch panel, and cable management built right into the base at a price point to fit all budgets. With a fresh new look contained in a small footprint, and a screen rated at over 50 million touches per location, the EVO Touch Monitor looks great yet can withstand even the heaviest use applications.
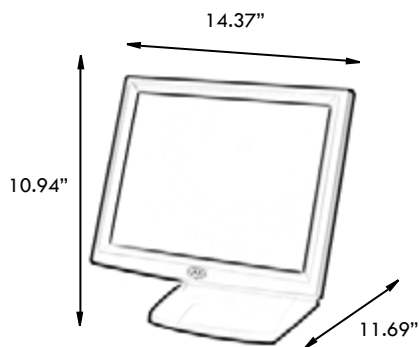

LCD touchMonitor
