SPECIALTY MOUNTS

ProClip offers a wide range of custom-designed and purpose-built mounting solutions for mobile devices deployed in a variety of industries and environments. From pipe and bar clamp-style mounts to heavy duty suction cup mounts to industrial strength, shock absorbing mounts for use in forklifts and heavy machinery, ProClip has a quality mounting solution to stand up to your demands. Our solid-core Aluminum pedestals with interlocking teeth provide a modular and customizable extension to the specialty mount of your choice.

- Bar/Pipe & Handlebar Mounts
